

2024 Community Outreach Ticket Guidelines

Deadline: Monday, March 18th, 11:00 p.m. CT

The New Orleans Jazz & Heritage Festival and Foundation’s **Community Outreach Ticket** program provides tickets to the New Orleans Jazz & Heritage Festival presented by Shell (Jazz Fest), the Foundation’s main fundraising event.

The purpose of Community Outreach Tickets is to provide access to Jazz Fest for those Louisiana residents who otherwise could not afford to attend the festival. Only organizations in Louisiana are eligible to apply.

Community Outreach tickets are distributed through **Louisiana nonprofit social service organizations** that **provide direct, ongoing services to low-income residents of Louisiana**. These may include educational, religious, government, and community agencies – but only those that provide direct, ongoing services to low-income clients.

Applying organizations must provide details on the types of services they provide and demographic data on their clientele. Any tickets received by these organizations may be used only by the people who receive services from those organizations.

Tickets are **NOT** to be used by current or former staff members, board members, donors, sponsors, or volunteers of those groups, or their families, except in cases where a chaperone is required.

If any applicants for Community Outreach Tickets need to use tickets to provide chaperones, they must state clearly in their application how many tickets must be used for that purpose and explain why this is necessary.

The tickets may not be sold in any way. They are not to be used as raffle items or for fundraising purposes, or as rewards for volunteers. They are to be distributed based on financial need and availability and, in certain approved cases, as rewards or incentives for the clients’ good behavior.

Any recipients of Community Outreach Tickets who are found to violate the letter or spirit of these guidelines will be permanently barred from receiving tickets through this program in the future.

ONLY REQUESTS THAT ADHERE TO THESE GUIDELINES WILL BE CONSIDERED.

Note: Only organizations in Louisiana are eligible to apply.

Required Materials:

- All applications must be accompanied by the following:
